We make it possible for people to maintain their independence and rehabilitate at home. *That means:*

**Any funding.** We explore and provide any possible funding source, from government (Medicare, Medicaid and VA) to insurance (health, long-term care and worker's compensation) to reduced-fee programs and self-pay.

**Any amount of care.** We have no minimum or maximum hours. We offer visits, hourly care and discounted 12- and 24-hour shifts.

**Any skill level.** We provide nursing, therapies, social workers and caregiver services.
